Kennington Primary School is committed to the Child Safe Standards

PRINCIPALS REPORT

Travis Eddy

Dear Parents and Carers,

What a busy Term 1 we have had. It has certainly been great to be back on site.

We welcomed 89 new students to our school this year, including our Grade Prep. students

We have enjoyed our recent Marvellous Mask Day and Special Food Day. Our Hot Cross Bun fundrasier was also a highlight with buns going home this week.

As we reach the end of term it is worth reflecting on other activities and events that have occurred during Term 1 including:

- Parent Teacher Meetings
- Jump Start
- Grade 5 Sovereign Hill camp
- Grade Level Information Evenings
- Morning Fitness Club and Running Club
- Breakfast Club
- Regional Swimming Sports
- District Tennis
- Regional Bowling Tournament
- Regional Volleyball
- School Photos
- School Council Elections
- Harmony Day
- Multi-Cultural Sports Day
- Staff Professional Learning

STAFFING TERM 2

We welcome the following staff to Kennington Primary School for Term 2.
Catelyn Bull - Teacher
Hayley Pepperell - Teacher

ADDITIONAL RAT PACKS

The Victorian Government recently accounced it is extending the Rapid Antigen Test (RAT) screening program for the first 4 weeks of Term 2.

New packs were sent home yesterday and today. I would encourage all families to test their children on the evening prior to the first day of Term 2.

The screening recommendations will remain the same next term for all students and staff.

LAWN BOWLS

On Thursday 7th April, KPS sent a 12 member team to Swan Hill to compete in the Regional Lawn Bowls Competition.

The team played well all day and showed fantastic sportsmanship. They had two extremely close games and managed to finish the day in 8th position for the region, which is a fantastic effort.

Well done to everyone who competed, and to the parents that attended and assisted on the day.

KPS VALUES

Personal Best

Always aiming high and being the best I can. It means being optimistic that I will be successful in the end.

Respect

Treating everybody and everything with consideration and courtesy. It means looking after myself, others and the environment.

Resilience

The ability to manage my emotions and bounce back from an experience that may not have turned out the way I expected.

KPS SONG

Here we stand together,
in the school we like the best,

And together we create a school
that's bigger than the rest.

With gardens, playgrounds,
stairs and rooms and
an orphanage next door.

Our grounds and our facilities,
they offer so much more.

But the buildings and the sandpits
and the ovals and the grounds,

Don't tell you the whole story of
the place where we have found,

A safe and fun environment,
where everyone's your friend.

Where the music and the laughter
and the learning never ends.

Chorus

Our school is like no other,
a very special place,

With space to learn and room to
grow, there's a smile on every face.

We are a team of individuals,
our community is strong.

Everyone is welcome,
and everyone belongs.

When you come to Kennington,
you'll notice from the start.

The kind of place we have here,
we speak with hands and heart.

The way we are with others,
that's how we'd like them to be.

Respect is shown to everyone,
then it comes back to me.

Repeat Chorus

We care about each other,
in all we say and do.

Our teachers understand us,
they care for me and you.

Repeat Chorus

Reminder that our assembly is currently held over our internal speaker system.

GRADE 6 LEADER & DEAF FACILITY PHOTOS

Grade 6 Leaders and Deaf Facility photos were taken recently and are now available for purchase for $12.00 each online.

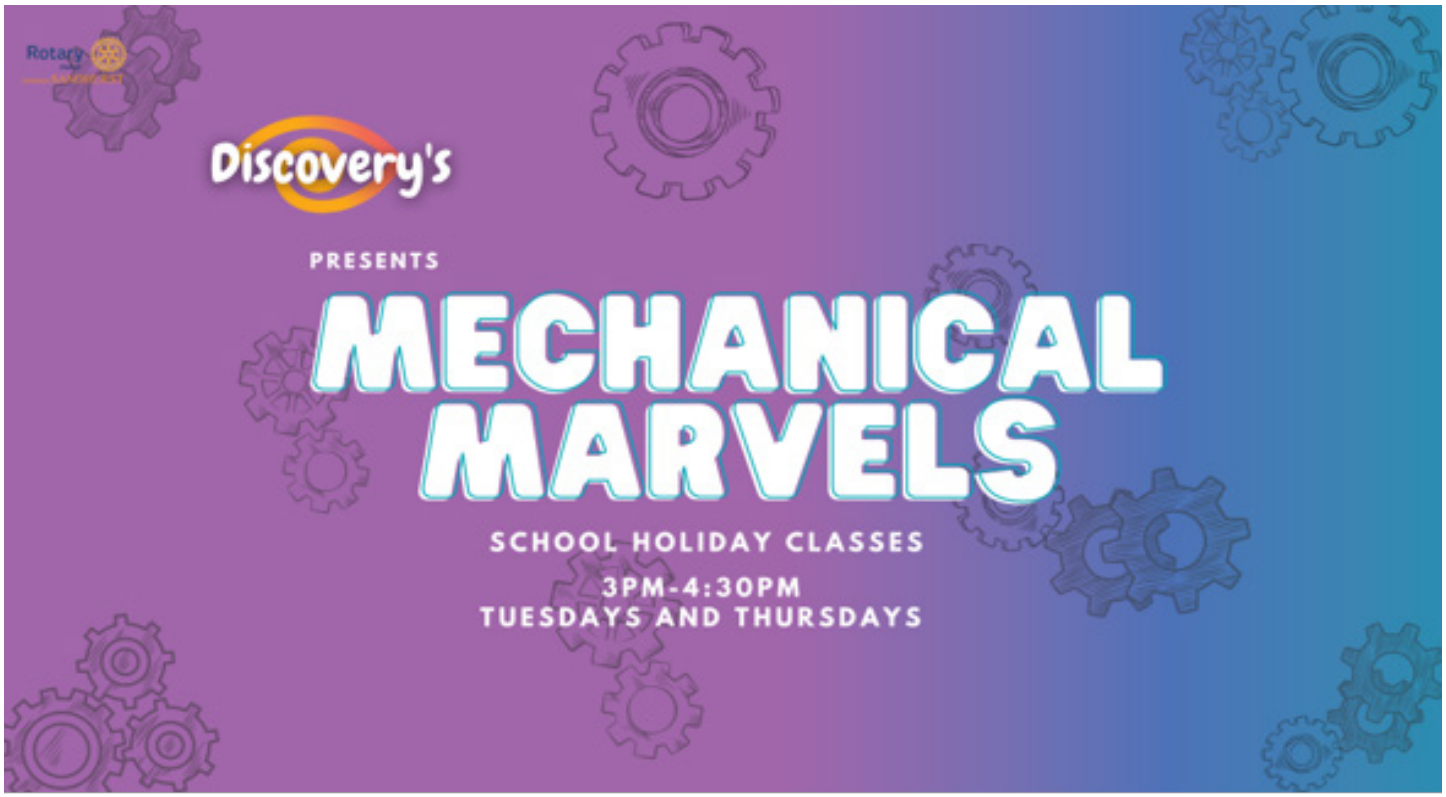
LEGOLAND DISCOVERY CENTRE



Information

Explore the technology behind some of the iconic designs of Da Vinci, currently on display in the Discovery Centre in this workshop.

Students will get hands-on to create interactive moving masterpieces. Turn cogs, spin wheels and move levers to create a customised machine. Take them home to show off to friends! These machines will introduce students to the function of cams, an important part of many common mechanisms used in our everyday life. We will explore how simple shapes can turn into elaborate movements to make incredible interactive art pieces that rotate, wave, or even dance.

Workshop sessions run for 90 minutes for high-ability students and those seeking extension in Grades 3-6. Participation is FREE for Victorian Government school students and will be held on Tuesdays and Thursdays (3pm to 4:30pm) through the Term 1 school holidays at Discovery. Bookings via Eventbrite are essential https://tinyurl.com/2p8tw8z7 .
Use your child's teachers' email address to secure a spot.
Parents are welcome to stay for the class.
