Newsletter No. 22

Thursday 1st August, 2013
Dear Parents/Carers,

**Personal Leave**
Glenda Miller is currently on leave. During this time I will be Acting Principal. Mrs Jo Menzel will continue in her role as Assistant Principal and on occasions, Jo and I will be supported by other staff members in the Administration area.

**Census Day and 2014 Enrolments**
Tomorrow, Friday 2nd August is our midyear census day. Part of this census is our projected enrolments for 2014. I would like to encourage all families seeking to enrol their child in Prep at Kennington Primary School next year who haven’t already done so, to have their enrolment forms completed by tomorrow, if possible. If you know of any families intending to enrol at this school in 2014, please pass on this information. If your child will not be attending Kennington Primary School in 2014, we would appreciate you letting us know.

**Parent Opinion Survey**
Many parents over the years will have completed parent opinion surveys. If you have been randomly selected to participate in the survey this year you have received a survey in the mail. Thank you to those who have returned the survey already. The use of opinion data is a very important step towards making our school the best it can possibly be. The data is also used to compare our school with other government schools. The guidelines state that 90 families from our school will receive a survey. We appreciate these families providing their opinions.

NETBALL NEWS

Team News

The Netball season is fast approaching the end with only four rounds remaining for non-competitive teams. Hopefully the remaining rounds receive perfect weather for all teams to enjoy playing.

A BIG thank you to everyone who contributed to fulfilling the “Office Duty” roster and made matches possible for our girls to play. Kennington has now completed all office duty allocation for 2013 winter season.

Netta Thunder: The team demonstrated great spirit, taking to the court in somewhat terrible conditions in a previous round! Last weekend several children from Victory College filled in for us as we only had five players at the game. The award went to one of the Victory students named Riley, who was a handy little player and shot several goals for us! The support of the Victory team was much appreciated and they were lovely about it.

KPS Sparks: Thanks to Mabel K who has been helping with training and she has become the Sparks unofficial ‘assistant coach’ and doing a great job. The girls enjoy having a senior student to look up to and we appreciate her dedication.

KPS Tigers: Congratulations to Tatum H on shooting over 100 goals for the season, and Nicole F for shooting over 50 goals for the season. Girls are still adding to their goal tally. Thanks to the team moving the ball well!

KPS Storm: The girls are playing very well together and have managed to hold onto top position on the ladder for most of the season.

Go Kennington!

*RULES AND REGULATIONS*

The total number of tickets sold by each class is adjusted in accordance with class size. The points total will be calculated for each class by dividing the total number of points by the number of children in that class. The two categories are classes in Prep – Grade 2 and classes in Grades 3 – 6.

The winners of the Class Competitions will be announced at Assembly on Monday 2nd September.

The class in each category that has the highest weighted points total as of Monday 26th August will win.
