**PRINCIPAL’S REPORT**

Dear Parents/Carers,

School Raffle

It is a legal requirement that books are returned sold (with money) or unsold. Please send them along to the office tomorrow so that your ticket allocation can be marked off the master list. Thank you for your support with the raffle as it is one of our major fundraisers. The raffle will be drawn on Friday 13th September. Monday at assembly the class incentive winners will be announced.

**Fathers and Special Friend’s Day Stall**
The Parents and Friends’ Group held the Fathers’ Day stall today. Thank you to everyone who donated goodies to the stall and to the parents and carers who willingly gave of their time to prepare 1,200 gifts for the students to purchase. The Mothers’ and Fathers’ Day stalls are authentic opportunities for the students to shop independently. Thank you to Kristy Mountjoy for coordinating the event.

**Concert Bands**
On Friday we were treated to a fabulous concert by the Police Concert Band. This performance was organised by Josh and Nathan’s mother because their Granddad plays in the band. All students had a fabulous time and their behaviour was excellent throughout. Yesterday we were entertained by the Newcombe Secondary College Concert Band. This was also a fabulous experience for our students.
Hats On
A reminder that from Monday 2nd September it is school policy that green broad brim or bucket hats are worn outside. We have reminded all students that it is time to have hats on again, and we look forward to your support in encouraging your children to wear their hats. Children without hats will be required to sit in the amphitheatre during lunchtimes.

Technology 1:1 Program 2014
Since 2010 parents of students in Grades 5 and 6 have paid $100.00 per year co-contribution to support the 1:1 technology program. This will continue in 2014.

Details of other costs associated with your child's education in 2014 will be distributed via a separate information sheet. In the meantime, if it is helpful to parents to commence budgeting for start up costs for 2014, we are happy to establish a weekly or fortnightly deposit process so that on Book Collection Day you will have achieved some credit to cover costs.

GRADE 2C NEWS

Grade 2C have been learning about fairy tales this term. We have read and compared different versions of some of these tales and know the features that make good fairy tales. We also had a great week with some fairy tale crafts in our classroom. We made dwarves, princesses and wolf puppets. There were a lot of tricky parts and we really appreciated the help of 15 different parents over the 4 mornings. We hope that they enjoyed being part of 2C.

Mrs Sharon Malberg

RACV ENERGY breakthrough

The Grade 5 and 6 Energy Breakthrough team have kicked off to a great start this term, preparing for the up and coming RACV event held in Maryborough in November. This year we have two competitive teams. They have begun their training for the 14 hour human powered ride with a weekly 2 hour bike ride on Sundays. The students are also working hard on their 20 minute presentation for the judges, which will promote their understanding and commitment to the Kennington team. The students are developing their knowledge on the design and construction of the two vehicles by listening to guest speakers and training at the Tom Flood Sports Centre in the vehicle. We need any unused road cycling shoes with Shimano cleats (size 36-42) and an exercise bike for the big event. Please contact me if you can help.

Altogether, a positive start to another fantastic year of racing. Special thanks to the parents and sponsors for their support this year. Well done to Mr Hague for his continued organisation and drive behind the event. Lastly, good luck to all the students who are participating and your hard work at training.
