**Term Dates – 2014**

**Term 2:** 22nd April to 27th June
**Term 3:** 14th July to 19th September
**Term 4:** 6th October to 19th December
Dear Parents/Carers

Mothers and Special Friends’ Day Stall

On behalf of the school community I would like to extend thanks to the hard working group of parents who helped out on this stall today. Many of the gifts were made at the Coffee, Cake and Make sessions and they were fantastic. The students really do enjoy these extra opportunities and we would not be able to make them available without voluntary support.

Student Welfare

One of the students in our school community is receiving medical treatments, which puts them at risk if they develop chicken pox or shingles.

It is very important therefore, that you let us know immediately if you believe that your child has contracted or recently been exposed to chicken pox or shingles. Please contact the school office as soon as possible so that child’s parents can be alerted immediately.

Your child is not at risk whatsoever from this situation.

Education Week – Open Day Wednesday 21st May

We will celebrate Education Week with our Open Day on Wednesday 21st May. Visitors are welcome to our school throughout the day and a schedule of events will be provided to visitors on arrival. A program is attached to the LINK on page 7.

Student Reports

Semester 1 student reports will be distributed on Friday 20th June, and will be followed up with Student Led Conferences on Tuesday 24th June. AusVELS is the Australian Curriculum in Victoria. This Curriculum framework was introduced in 2013 for Prep to Year 10 students. AusVELS replaces the VELS – Victorian Essential Learning Standards. The VELS curriculum has been used in schools for curriculum planning, assessment and student reporting since 2006. The first four Australian Curriculum subjects: English, Mathematics, Science and History have been introduced into the already established VELS framework and renamed AusVELS. The remaining Australian Curriculum subjects will be implemented progressively over time.

PREP 2015 - Enrolment

All parents who are intending to enrol their child in Prep at Kennington for next year, 2015, should collect an Information Pack from the school office. The pack includes information pertinent to KPS including the Great Start Transition Program and includes the official school enrolment form. The enrolment form and a copy of the child’s birth certificate and immunisation record must be returned to school by Friday 27th June, 2014.

This date is set by the Department of Education. If your child has additional needs including a medical diagnosis, language difficulties, is involved with any Early Intervention services, or if you just have a worry or concern about your child, please make an appointment to see me as soon as possible. If your child is hearing impaired please contact Mrs Marg Tope, the leader of the Deaf Facility through the school office.

School Hours

A reminder to all our parents/carers that the school yard is supervised from 8.30am in the morning and children should not be at school prior to this time. Bell times in the mornings are as follows:

8:35am Arrival Bell
8:40am Warning Bell
8:45am Roll Call Bell

Children are not to play on play equipment before or after school.

Walk Safely to School Day

The Link

The Link is the main form of communication with you and the school. The Link will be sent home with the youngest child in each family or look on www.kenningtonps.vic.edu.au. The Link is published on Thursdays. Sometimes, where we need to ensure that a piece of information gets to all of our school community, a notice will be repeated in a number of newsletters.

Regards

Trudi Jacobson
Acting Principal
In order to improve communications between school and home we have recently purchased a school phone app that works on iPhones and android devices. The school will send out regular notifications via this app including reminders of upcoming events as well as links to newsletters. The app is called Konnective and can be downloaded free of charge from the App store or Google Play on your phone. Once you have downloaded the app you will need to register via the app. In the My Connections tab you can then select Kennington Primary School from the list of schools available and ‘join this school.’ An A4 flyer is attached to the LINK, to assist you with downloading the app and registering.

The National Assessment Program (NAPLAN)

NAPLAN tests are held during May each year and in 2014 the tests will be held on the 13th, 14th, 15th of May. In primary school students in Year 3 and in Year 5 complete the tests.

The results of the tests provide diagnostic information for parents and teachers about a child’s performance in Literacy and Numeracy. This information can be used to support teaching and learning programs and improve student achievement.

If your child has a disability or special needs which require extra consideration you should discuss with your child’s teacher whether or not your child should undertake the tests?

Later in the year, you will receive your child’s personal report. The report will describe your child’s particular skills in reading, writing, language conventions and numeracy.

The report will also show how your child performed in relation to national benchmark standards. These benchmarks describe minimum acceptable standards for students across Australia.

I am confident that the information you receive as a result of your child’s participation in the NAPLAN tests will be valuable in providing you with an insight of your child’s progress in Literacy and Numeracy.

For more information about the tests, please visit the VCAA website at: www.vcaa.vic.edu.au or the NAPLAN website at www.naplan.edu.au

Performing Arts News

Guess What?
Violin, Viola and Cello lessons are about to begin at KPS!
Yippee!

Stephanie Eldridge, a fully trained and experienced string teacher, will commence teaching at KPS. There are places available in the Prep to Grade 2, “Pizzicato” program or the Grades 3 to 6 program. Lessons are for 30 minutes and are timetabled during school time.

Fees (Pay 1 term in advance)
The small group (3 students) lessons cost $14.00 per lesson.
Individual lessons cost $30.00 per lesson.

If you are interested in putting in an application, please see the office for the form. Those students who have already expressed interest in doing string lessons get priority placement.

Please see Mrs Collishaw if more details are required.

PE News

State Basketball Trials
Congratulations to Acacia S (6C) and Harmony S (6C) who were selected through to the next stage of the State Basketball trials. Acacia and Harmony were two of eight students selected from the Bendigo region. Well done girls.

State Soccer Trials
Congratulations to Connor B (6C), Ruben W (5A) and Ella K (5A) who were selected through to the next stage of the State Soccer trials. Connor and Ruben were two of twelve boys and Ella was one of two girls selected from the Bendigo region. Well done.
Preps
Students will be exploring their theme ‘Transport’ through painting, drawing, collage and construction activities this term. They will be developing handwork skills of cutting, fringing, folding and using detail and texture in their drawings and paintings.

Grades 1 and 2
Students will be exploring the Art Element of colour and will be participating in lots of fun activities such as colour mixing, finger painting and pointillism. They will also create a mini landscape out of cardboard, paper mache, twigs, tissue paper and cellophane. Clay models of animals will also be created to put in their landscapes.

Thanks so much to the parents who have been sending along recycled materials. We still need plastic sauce bottles, yoghurt, margarine and ice-cream containers. As the Preps will be constructing cars, trucks etc. We will need lots of different types of boxes. No boxes containing nuts please. Just a reminder to parents that some students still haven’t brought an art smock to school.

Premiers’ Reading Challenge 2014

The Premiers’ Reading Challenge for 2014 is underway.

We are looking forward to having many children take up the Challenge this year.

Children in Prep to Grade 2 are challenged to read 30 books (20 books from the challenge booklist and 10 books of their own choice).

Children in Grade 3 to Grade 6 are challenged to read 15 books (10 books from the challenge booklist and 5 books of their own choice).

To take part in the Challenge children must be registered. Registration forms may be obtained from this edition of the Link, class teachers or the school office.
Children need a parent signature for permission to take part in the Challenge and a second parent signature to give permission to have their name printed in The Honor Roll. This will come online sometime after the Challenge finishes in early September.

Signed registration forms should be returned to the school office.

Registered students will receive a Premiers’ Reading Challenge record sheet. This sheet may be used as a paper record of books read.

Many of the books listed for the Challenge are available in the Kennington Primary School library and the Bendigo Goldfields library.

Take the challenge.

Patrick Coughlin
Premiers’ Reading Challenge Co-ordinator

Thanking you,
Robyn Williams and Lisa Findlay
**A Note from the School Chaplain**

I am planning to run the Seasons for Growth Program at Kennington Primary School. This is a grief and loss program for children, aimed at helping them come to terms with major changes that have occurred in their lives. Some of these changes may include the death of a family member, separation or divorce. If you believe your child would benefit from being involved in the program please complete the form below and return it to the front office with $12.00 in an envelope as soon as possible. The $12.00 covers the cost of the workbook which your child keeps at the end of the program.

Regards
Anthea Taylor – Chaplain

---

**Seasons for Growth**

I would like my child…………………………………………in Grade to participate in the Seasons for Growth Program.

Reason for inclusion: ........................................

Name of Student: ..........................................Contact number: ........................................

Signed Parent/Carer: ........................................

---

**Breakfast Club – Every Friday**

Commencing tomorrow Friday 2nd May from 8:10am until 8:25am. (This allows time for students to get to their classrooms before the bell at 8:40am).

Menu:-
- Toasties – Cheese
- Toasties – Cheese & Vegemite
- Apples
- Yogurt – strawberry, mango and berries flavours
- Milo
- Orange Juice
- Apple Juice

If any parent/carer is interested in going on the roster please contact the office on 5443 2011. We have helpers every week or every third week, whatever you can do is appreciated.

Breakfast Club is free and everyone welcome.

---

Tours will be conducted by Grade 6 School Ambassadors at 9:00am, 10:00am and 12:00pm.
Registering and logging in to Konnective

Step 1: Download the Konnective app from the AppStore or Google Play

Search for Konnective or use these quick links

For all other smartphones or if you don’t have a smartphone you can register on the Konnective website http://www.konnective.com.au/register

Step 2: Register with Konnective
When you open the Konnective app tap on the Register button

To register, enter your email address, first name, last name and setup a password that you will remember (phone number is optional).

You will be sent an email asking you to click on a link to verify your email address. Check your spam/junk folders if it does not arrive.

Step 3: Login to Konnective
Once you have verified your email, open up the app and tap the Login button

Enter your email address and the password you set when you registered.

You’re done!

If you aren’t connected to all of the feeds you need:

Go into the Menu and select My Connections. Then hit Add (in the top right corner) and choose the business and feeds relevant to you.

You can automatically connect to any public streams (those with a Connect button) or else Request Approval to be added to any other feeds that are relevant to you. Upon Requesting Approval, the connection will remain in a pending state until you can be reviewed and approved onto that feed by the school or business.

For any help or queries, please contact support@konnective.com.au

konnective.com.au
