If you aren’t connected to all of the feeds you need:

Go into the Menu and select My Connections. Then hit Add (in the top right corner) and choose the business and feeds relevant to you.

You can automatically connect to any public streams (those with a Connect button) or else Request Approval to be added to any other feeds that are relevant to you. Upon Requesting Approval, the connection will remain in a pending state until you can be reviewed and approved onto that feed by the school or business.
