

Setting Parental Controls in iTunes

1. Open iTunes on your computer.
2. In iTunes, open iTunes preferences.
3. (Mac users: From **iTunes** menu, choose **Preferences**
Windows users: On the **Edit** menu, click **Preferences**)
4. Click the Parental tab.
5. Select the checkbox next to any item you wish to disable or restrict
6. To change a rating level of TV shows, Movies, and Games choose a rating level from the pop-up menu.
7. Click the lock icon to prevent users from making changes.
8. Type your administrator password in the resulting dialog box, then click OK (You'll need to know the computer administrator's account name and password.)
9. Click OK to close iTunes preferences and have your changes take effect.

If you want to make changes to your restrictions, open iTunes preferences, click the Parental tab, click the lock icon, and enter your administrator password in the resulting dialog box to unlock the parental controls. You can then make any desired changes.
