

Uniform Policy

Rationale:

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the development of the Uniform Statement.

Aims:

The uniform statement aims to:

- promote equality amongst all students
- further develop a sense of pride in, and identification with our school
- provide durable clothing that is cost effective and practical for our school environment
- maintain and enhance the positive image of the school in the community

Implementation:

- After consultation with the school community, the Student School Council and the School Council, a Dress Code that provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families has been developed
- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions
- Summer and winter uniforms are required to be worn. Clothing appropriate for sport is available from Bendigo Fashion Plus.
- Stud earrings and sleepers worn in the ears, and watches are the only acceptable jewellery
- Extreme hair colours and **bright shoe colours** are not permitted
- Other than clear nail polish, cosmetics may not be worn at school
- Students must wear a hat between 1st September and 30th April and are encouraged to wear one between 1st May and 31st August especially when the UV rating is 3 or above. Students may choose between the Kennington Primary School broadbrim hat or the Kennington Primary School bucket hat
- A hat should be kept at school for easy access at all times
- Changes to the KPS uniform will be ratified by the KPS School Council
- The School Council requires the Principal to be responsible for implementation of the Dress Code in a manner consistent with the Student Code of Conduct
- A lost property cupboard will be maintained for school clothing which has been misplaced. This will be maintained by members of the school community including parents, children and staff. It is the parents' responsibility to name clothing and to check this cupboard for lost items. The cupboard will be emptied at the end of every term
- Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the Principal
- Parents or carers experiencing difficulty paying for items of uniform can contact the school office and ask for support through State School Relief. A limited amount of second hand items are often available through the school office also. A donation is appreciated for second hand items.
- The wearing of the school uniform is compulsory. Uniform items may be chosen from the list below. Not all items are compulsory.
