Kennington Primary School Values Awards

Caring
Is showing concern for others and being thoughtful, and understanding of their feelings. It means your thoughts; words and actions show consideration for others.

Community
Is working together for the common good. It means being able to work together and act positively with others.

Inclusion
Is respecting and valuing differences. It means we include others in work and play.

Personal Best
Is always aiming high and being the best I can. It means being optimistic: that I will be successful in the end.

Respect
Is treating everybody and everything with consideration and courtesy. It means looking after myself, others and the environment.

### Principal’s Report

**Dear Parents/Carers,**

#### Harmony Day Celebrations

Congratulations to the students and the staff involved with Harmony Day celebrations. At assembly Michele Chng presented a display with representatives from each grade level, from our EAL students and from our students in the Deaf Facility. Each display featured art work that the students have been working on during their art classes. In addition, our student councillors did an exceptional job presenting our school values. The celebrations concluded with a performance by our choir.

#### Grandparents and Special Friends’ Day

I look forward to this special day tomorrow. It is always lovely to have special visitors from far and wide being part of their prep child’s education.

#### Labour Day Public Holiday

A reminder that Monday 14th March is Labour Day. Students do not attend school on this day.

#### Eliza’s Heroes

Come to the basketball! Watch a game of the Bendigo Braves organised for our very own Eliza.

Eliza is in Grade 4 at KPS. In November 2014, nine year old Eliza was diagnosed with Type-1 Diabetes. Righteous Pups have launched a new type of Service Dog program for diabetics. To help raise funds for Eliza, and many other children living with Type-1 Diabetes a charity basketball match has been organised.

Righteous Pups and the Bendigo Braves have organised a charity basketball match to fundraise money to start up the program to assist children like Eliza with Type 1 diabetes. The dogs will be trained to alert children or their parents before their blood sugar reaches dangerous levels.

The game is on **Saturday 19 March 2016 at 2:00pm** at the Bendigo Stadium. Everyone is invited to attend. If you can’t attend, but would like to donate, please text the word ELIZA to Joanne Baker at Righteous Pups on 0429 010 070 or visit her facebook page named “Eliza’s Heroes”.

Term 1 concludes
Community Night/Twilight Fair
This year our Twilight Fair is from 3:30pm until 6:00pm on Thursday 17th March. We look forward to as many members of our school community joining us as possible. Each class will be running a stall and so you will have been asked to help out. We plan to have food available along with a range of rides and activities for our students. Please add this date to your calendar and take the opportunity to join with us for this special community event.

Casual Dress Day
On the day of our Twilight Fair students will be allowed to wear casual dress. A gold coin ‘fine’ will apply. Casual Dress for the day must still comply with our Sun Smart and safety guidelines, i.e. broad brim hats, no sleeveless tops, and shoes with covered toes and covered heels.

Fair Competition
At our Twilight Fair we will be holding a Fair Competition. The prizes will be Easter hampers. These have been very popular in the past. Tickets will be sold on the night of the fair for $1.00, and the winners will be drawn at approximately 5:45pm.

If you are able to contribute to our prizes (e.g. Easter eggs/chocolates, Easter soft toys, baskets for prizes, clear cellophane, tissue paper, coloured ribbon, Easter colouring books or general colouring books, pencils, crayons, stickers, notepads, and biscuits) please bring your donations to the office. (As has been the case in the past the office staff have promised not to eat them!!!) We hope to make up 10-12 prizes so all donations will be greatly appreciated.

Thank you to everyone who has supported the various grade activities for our school fair. If you are able to donate a prize for our spinning wheel, please contact Lyn Pearce at the school office or drop your donation off at the office.

We are also asking parents for help in promoting our fair. If you are able to put up a poster at your business or your work, these are available for collection from the school office.

Rides/Fair Activities – On Sale

On Sale Now.
An envelope has been sent home with every child.

At the Twilight Fair this year all activities and rides will be prepaid. Students and visitors can purchase a mega pass for $20.00 ($22.00 value - see draft sample) which will be hole punched at each activity. If students and or visitors want less or more value, $10.00 or $5.00 passes will also be available. The passes will be held at school until the day of the fair.

Demolition of the Old F Block
The double storey cream brick building known as the old F Block will be demolished, commencing in the next holidays. The school site will not be available to any one during this time; including Camp Australia.

Camp Australia Holiday Program Not Operating These Coming Holidays

Due to the commencement of the demolition of the old F Block building during the Term 1 holidays, Kennington Primary School will not be hosting the Holiday Program for Camp Australia.

Attached to today’s LINK (page 11) is a flyer that outlines the activities provided at Golden Square Primary School. Parents are advised that arrangements for students to attend the holiday program are to be organised through Camp Australia.

Severe Allergies / Anaphylactic Reactions
Anaphylaxis is a sudden, severe and potentially life-threatening allergic reaction that can be caused by a number of different foods, perfumes, medications and insect stings. It must be treated as a medical emergency, requiring immediate treatment and urgent medical attention.

Sharing of snack and lunch food is discouraged throughout the school. Class teachers have discussed this with their class and reminded students that food is not to be shared. Students have been reminded about the need to wash their hands after contact with any nuts or nut products (i.e. peanut butter, Nutella).

I therefore ask for your assistance in monitoring what your child brings to school to eat so as to lessen the chance of children with allergies having contact with nuts. It would be appreciated if your child did not bring peanut butter or other nut products to school.

I understand that this may not be possible at all times so please ask your child to alert their teacher to the fact that they have a peanut or nut products to eat. The teacher will then handle this appropriately and sensitively.

The Link
The Link is the main form of communication with you so please ensure that your child brings it home. The Link will be sent home with the youngest child in each family or look on www.kenningtonps.vic.edu.au. The Link will be published on Thursdays. Sometimes, where we need to ensure that a piece of information gets to all of our school community, a notice will be repeated in a number of newsletters.

Regards
Jo Menzel
Acting Principal
Konnective

In order to improve communications between school and home we have recently purchased a school phone app that works on iPhones and android devices. The school will send out regular notifications via this app including reminders of upcoming events as well as links to newsletters. The app is called Konnective and can be downloaded free of charge from the App store or Google Play on your phone. Once you have downloaded the app you will need to register via the app. In the My Connections tab you can then select Kennington Primary School from the list of schools available and ‘join this school.’

School Banking

School banking day is Tuesday.

Prep News

We would like to invite our Grandparents and Special Friends to attend our “Grandparents and Special Friends” morning, this Friday 11th March 2016.

We are very conscious of the fact that many students will not have grandparents close by, and hope that a special friend is able to attend instead. A special friend could be a babysitter, neighbour or family friend.

Grandparents and special friends are welcome to go to their child’s classroom at 9:00am for activities and fun. The morning will conclude at 10:30am.

Due to the size of the room, and potential of overwhelming our students, extra family members (mums, dads, toddlers) are asked not to go into the classrooms. Thank you for your support with this.

We look forward to meeting our special guests on this day.

Regards, The Prep Team

Whole School Handwriting Awards

Handwriting is valued and celebrated at Kennington Primary School. Each week two students are selected to receive a handwriting award. These students are chosen according to criteria including the correct formation and size of letters, neatness and the overall presentation of book work.

This year, there will also be a whole class award for the class which consistently strives to improve handwriting and book presentation. This will be chosen on a monthly basis.

The names of students who have been chosen to receive the handwriting award will now be published in the newsletter, in advance, under the Kennington Primary School Values Awards section to further acknowledge the outstanding achievement and also to allow families to attend the presentation at assembly. The award winners will receive a certificate and a stationery item to keep, as well as a medal to wear during class time for the whole week.

Thank you,
Leah Retallick
Grade 5 Teacher and Handwriting Coordinator

Bookclub News

Reminder that Issue 2 Bookclub orders are due next Tuesday 15th March.

As always there are $1.00 and $2.00 books throughout the catalogue and every order enters the draw to win a $10.00 bookclub voucher.

Congratulations to Jenaya I (5C) for winning the Issue 1 voucher.

Happy reading!

PE News

Athletic Sports
The senior school (Grades 3 to 6) athletic sports will be held on Wednesday 16th March.

The sports will be held at LaTrobe University Bendigo Athletics Complex.

The sports will commence at approximately 9:15am and should conclude at 2:30pm. Events that will be run on the day include:

- High Jump
- Hurdles
- Sprint
- Discus
- Triple Jump
- 200m Sprint
- Shot Put
- Long Jump
- Long Distance (completed at school)

The day will be broken into three parts. The children will compete in two events in the morning, break for recess, then complete 4 activities, break for lunch, and then complete the remaining two events.

Payment and permission for this activity should already have been through the major sporting events charge at the beginning of 2016.

As a Sun Smart School all children are required to wear a hat between September and May and are encouraged to apply sunscreen. During athletic sports it is very important that your child takes responsibility for being sun smart. Please remind your child of the importance of being sun smart and the importance of taking responsibility for keeping themselves as safe as possible from the sun. Please ensure your child can apply their own sunscreen.

During the day whilst not competing your child will be reminded to:
- Sit in the shade where possible
- Drink lots of water
- Wear their hat
- Regularly apply sunscreen (provided by you)

I hope to see you at this event.

** Please refer to page 10 of the LINK for timetable details**

Division Swimming Carnival

Congratulations to the 18 students who represented the school at the District Swimming Championships yesterday. All students performed well with many personal best times achieved.

The 12 year old boys achieved an excellent result coming 3rd in Sandhurst District 12/13 year old Freestyle Relay.

Thank you to all the parents who supported our students and a special thanks to parent, Lisa Tangey for her organisation and preparation.

Northern Rivers Cricket Regional Tryouts for SSV State Team

Will, Jacob and Luke travelled to Rochester on Monday for the Cricket Regional Tryouts for SSV State Team.

Five boys from Bendigo and nine from the Shepparton region attended. Three were selected to go on to the next stage of the competition in Melbourne.

Despite not being selected, Kennington’s representatives had a great day playing on a turf wicket, made new friends, and showed great spirit and sportsmanship.
Visual Arts News

One of the many projects we explore each year in the Art Program is portrait drawing. At the beginning of each year students learn new skills relevant to this type of drawing and create a self-portrait. Portraits are then collected and kept on file. Our Grade 6 students now have a collection of portraits dating back to their time in Grade 1 – some very special memories. The portraits demonstrate how drawing skills develop and refine over time….a concept which has created a terrific vibe in the Art Room this week. Well done to all our talented artists.

Family Fun Ukulele Night Tuesday 15th March
6:00pm – 7:30pm in the BER building

Everyone Welcome – No cost

- For adults and children interested in learning the ukulele together! (Particularly those families with a student in the Grade 4 Ukulele Program at school)
- Learn the basics of how to play the ukulele
- Learn which common chords are used for 100s of popular songs
- Take away song-sheets to practise at home
- Look at online resources for further learning
- Meet and listen to local ukulele enthusiasts from a local ukulele group
- Try different ukuleles on the display from Muso’s Stuff Music Shop

A limited number of ukuleles will be available for families to use. If your family has a ukulele, please bring it on the night to ensure that we have enough instruments for everyone.

If you plan to attend, please fill out the form below and return it to the office to assist with the preparation of materials.

Grade 5 News

In 2016, Kennington Primary School Grade 5 consists of 4 classes.

- 5A - Miss Amy Futcher
- 5B - Mr Jason Hague
- 5C - Mr Jeremy Hibbs
- 5D - Mrs Leah Retallick

We are very lucky to be located in a purpose built flexible learning space BER and also in the D block building. The year 5 students make great use of this learning space through small group, class and whole year level activities. Grade 5 teachers, value the individuality of each student and cater for specific needs by differentiating learning tasks to maintain student engagement. Our learning programs involve a great deal of collaborative planning and team teaching to ensure we effectively cater for the diverse range of abilities, needs and interests, whilst encompassing all areas of the AusVELS curriculum.

All students participate in a range of specialist programs. Specialist Teachers:

- Art - Ms Lisa Findlay
- PE - Mr Luke Monaghan
- LOTE Chinese - Hong Ma

These include Visual Arts, LOTE – Chinese, Physical Education and Library. Information Communication Technology is incorporated into students' lessons daily, through the use of Interactive Whiteboards, iPads and laptop computers.

Grade 5 students also have many opportunities to participate in a wide variety of sports throughout the year, learning about the importance of teamwork, sportsmanship and commitment to a team whilst improving their skills in sport.

In addition, all students have the opportunity to learn to play an instrument in the Instrumental Music Program, sing in the school choir and perform in the school production.

Students participate in a range of incursions and excursions throughout the year. A highlight for this year level is the camp program. The year 5 students will be attending a 3 day camp at Sovereign Hill in Ballarat. During the year the students are able to participate in a range of extra-curricular activities such as, Energy Break Through, Kids Club, Sign Choir and Fitness Club – just to name a few!

All welcome, just pop on in.

Bake Stall

The School Fair is fast approaching. Once again, the Parents and Friends will be running a Bake Stall, where lots of yummy home cooked foods will be available to buy.

We will be asking the school community to assist us with donating "baked" goods for the stall. All items need to be home-made; we cannot accept and sell pre-packaged, store bought items. It would be appreciated if all home baked goods were nut free also.

We will be having small items to buy and eat on the spot like chocolate crackles or biscuits and larger things to take home like cakes, so anything you make would be fantastic. See the back page for the form to be attached with item. The Bake Stall will accept Mega Passes and cash on fair night.

If you are able to assist on the bake stall or raffle table, please come in and see Lyn at the office.

Mother and Special Friends' Day Stall

Thursday 5th May

We gratefully accept all donations to help make this a special day.

Chocolates are always a great donation! (Please make sure they do not contain nuts.)

All donations can be dropped at the school office.
