Kennington Primary School is committed to the Child Safe Standards

PRINCIPAL'S REPORT

Travis Eddy

Dear Parents and Carers,

At Kennington Primary School we have three core values for how we like to be, as individuals, a team and a whole school community; Respect, Resilience and Personal Best. This week I will focus on resilience. Resilience is defined as the ability to bounce back from adversity. It is a necessary skill for coping with the ups and downs of life and one of the key ingredients of success. A number of things impact on a person's resilience, including their previous experiences, their sense of self, the coping strategies they have developed over time and their mindset.

At Kennington we teach students to understand that failure can be a precursor to success and is a necessary component of learning. The only way to succeed with tasks, learning challenges, in physical activities such as sport, and in life in general is through perseverance and persistence, and by embracing and learning from failure. This is a growth mindset and a key aspect of developing resilience.

A mindset is the sum of the various beliefs people hold about themselves. These self-perceptions determine their behaviour, outlook and mental attitude. For example, people may believe that they are either 'intelligent' or 'unintelligent'. Developing a growth mindset is essential in building students' personal and social capabilities, including self-awareness and self-management.

Resilience is directly related to wellbeing; it is about having the ability to cope with and adapt to new situations. Being resilient and positive, with a sense of wellbeing, enables a person to approach other people and situations with confidence and optimism. This mindset is especially important for students given the enormous changes and challenges they face throughout adolescence.

By helping students to develop the skills to build resilience and a growth mindset, we can minimise the effects of negative, stressful situations. These skills allow students to face challenges, learn from them, and develop ways to live a happy and healthy life.

BE BRAVE – NATIONAL RECONCILIATION WEEK MAY 27 – JUNE 3

The National Reconciliation Week 2022 theme, "Be Brave. Make Change." Is a challenge to all Australians – individuals, families, communities, organisations and government – to Be Brave and tackle the unfinished business of reconciliation so we can Make Change for the benefit of all Australians.

Be brave in your daily lives – where you live, work, play and socialise. National Reconciliation Week, 27 May to 3 June—is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

KPS VALUES

PERSONAL BEST

Always aiming high and being the best I can. It means being optimistic that I will be successful in the end.

Respect

Treating everybody and everything with consideration and courtesy. It means looking after myself, others and the environment.

Resilience

The ability to manage my emotions and bounce back from an experience that may not have turned out the way I expected.

KPS SONG

Here we stand together,
in the school we like the best,
And together we create a school
that's bigger than the rest.
With gardens, playgrounds,
stairs and rooms and
an orphanage next door.
Our grounds and our facilities,
they offer so much more.
But the buildings and the sandpits
and the ovals and the grounds,
Don't tell you the whole story of
the place where we have found,
A safe and fun environment,
where everyone's your friend.
Where the music and the laughter
and the learning never ends.

CHORUS

*Our school is like no other,
a very special place,*

*With space to learn and room to
grow, there's a smile on every face.*

*We are a team of individuals,
our community is strong.*

*Everyone is welcome,
and everyone belongs.*

When you come to Kennington,
you'll notice from the start.

The kind of place we have here,
we speak with hands and heart.

The way we are with others,
that's how we'd like them to be.

Respect is shown to everyone,
then it comes back to me.

REPEAT CHORUS

We care about each other,
in all we say and do.

Our teachers understand us,
they care for me and you.

REPEAT CHORUS

**Reminder that our assembly is
currently held over our internal
speaker system.**

STUDENT-PARENT-TEACHER LEARNING CONFERENCES

Student-Parent-Teacher Learning
Conferences are a major part of
Kennington Primary School's
assessment and reporting processes.
The aims of the conference are;

- To speak with you about your child's learning achievements particularly in Literacy and Numeracy
- To show your child's work samples and assessment data
- To speak with you about your child's learning goals for Term 3.

The Student-Parent-Teacher Learning Conferences (15 minutes) will be held from 3:30pm until 7:00pm on **Monday June 6, Tuesday June 7 and Wednesday June 8.**

Some classroom teachers will also offer times before school, please check individual teacher schedules for details. Conferences will take place in your child's classroom or online.

If you would like to complete your conference online via Webex, please email your classroom teacher once you have made your booking in Sentral.

Students must wear school uniform to their conference. Please book meeting times via the Sentral Parent Portal or Sentral Parent App. How to book information can be found in the 'Resources' tab under 'How to use Sentral'. If booking two or more appointments, please give yourself time to move from classroom to classroom.

QUICKCLIQ

Exciting news, Kennington Primary School is now a QuickCliq School. QuickCliq is a convenient online ordering system used by over 900 schools and thousands of parents across Australia. Kennington Primary School will be using QuickCliq for our special events. To register go to <https://www.quickcliq.com.au/>, click the register button and follow the instructions.

FEDERAL ELECTION BBQ WRAP

A huge thank you to all our families and staff who took time out of their weekend to help with our Federal Election BBQ. We raised just over \$1000 that will go back into the school to support our students. We also received very positive feedback from voters and a 4 out of 5 on

ABC local radio for our BBQ.

EDUCATION WEEK

For the first time in three years, we have been able to run our Education Week activities to their fullest. It was fantastic to see so many families around the school and enjoying the opportunity to be in our classrooms. Our School Ambassador tours were again a hit with our guests as well as our 'Step into Prep' session on Wednesday evening. I would like to thank our staff for the extra time that they put in to make Education Week a success.

PARENTS & FRIENDS NEWS

SPECIAL FOOD DAY TERM 2

Term 2 Special Food Day is coming up on Friday June 17. All orders for the Term 2 Special Food Day must be completed through QuickCliq and can be completed now. If you require help with QuickCliq please come and see us at the office.

PIE DRIVE REMINDER

A reminder to get all your Pie Drive order forms into the office before May 30. Payments can be made via direct debit to the Elmore Bakery, or by sending cash in a clearly marked envelope to the school.

WOOLWORTHS JUNIOR LANDCARE GRANT FOR ENVIRONMENT CENTRE

We are pleased to announce that we are the very happy recipients of a Woolworths Junior Landcare grant. The grant worth \$1000 will go towards the supply of 5 Waterwise Wiking Garden Beds for our Environment Center. The aim of the project for our students and community is to enjoy being active and outdoors working together to grow fresh healthy produce in a sustainable way.

\$6000 PURCHASE OF SPHERO ROBOTS

The Parents and Friends recently funded the \$6000 purchase of Sphero Robots for our STEAM program. Sphero Robots are programmable robots that help kids learn fundamental STEM concepts through play-based learning and educational STEAM activities. You can use Sphero robots to play games, create programs, or complete challenges.

Have a wonderful weekend, Trav.
