Kennington Primary School is committed to the Child Safe Standards

PRINCIPAL'S REPORT

Travis Eddy

Dear Parents and Carers,

Thank you all for a wonderful term. It has been extremely busy term coupled with illnesses affecting our staff and school community. Well done to all of our students who have worked hard to achieve their learning goals this term, particularly those students who reached their 100 nights of reading. Keep the reading up during the holidays.

STUDENT SAFETY IN AND AROUND CARPARKS

As the weather continues to be wet and cold, we understand that it can create some issues when dropping off in the mornings and collecting your children after school. As a school staff we work really hard to ensure the safety of all children at Kennington Primary School, and as always, we need your help!

When driving / parking in and around the school please be aware of your responsibilities as an adult member of our community.

Please;

- Park only in council marked parking bays
- Enter only from the Crook Street entrance
- Park in marked parking spaces only
- Drive slowly in and around the school
- Be patient when waiting to drop your child off and pick them up.

CURRICULUM DAY JUNE 22 (WEDNESDAY NEXT WEEK)

A reminder to all families that Wednesday June 22 is a curriculum

day at Kennington Primary School. This means that there is no school for students on this day. Camp Australia are offering their program during the day. Please check the hours of the program on their website or with the staff. <https://www.campaustralia.com.au/>

BERRY STREET EDUCATION MODEL

All Kennington Primary School staff will participate in the Berry Street Education Model (BSEM) Day 1 Training on June 22 (curriculum day). BSEM provides strategies for teaching and learning that enables teachers to increase engagement of students with complex, unmet learning needs and to successfully improve all students' self-regulation, relationships, wellbeing, growth and academic achievement. BSEM's pedagogical strategies incorporate trauma-informed teaching, positive education, and wellbeing practices.

Many schools across Victoria have taken part in BSEM training to address concerns including:

- effective strategies for student management and engagement to bolster positive behaviour
- students confronting diverse and complex learning challenges
- teachers facing significant professional and personal challenges to their own wellbeing when dealing with the diversity of student needs.

KPS VALUES

PERSONAL BEST

Always aiming high and being the best I can. It means being optimistic that I will be successful in the end.

RESPECT

Treating everybody and everything with consideration and courtesy. It means looking after myself, others and the environment.

RESILIENCE

The ability to manage my emotions and bounce back from an experience that may not have turned out the way I expected.

KPS SONG

Here we stand together,
in the school we like the best,
And together we create a school
that's bigger than the rest.
With gardens, playgrounds,
stairs and rooms and
an orphanage next door.
Our grounds and our facilities,
they offer so much more.
But the buildings and the sandpits
and the ovals and the grounds,
Don't tell you the whole story of
the place where we have found,
A safe and fun environment,
where everyone's your friend.
Where the music and the laughter
and the learning never ends.

CHORUS

*Our school is like no other,
a very special place,
With space to learn and room to
grow, there's a smile on every face.
We are a team of individuals,
our community is strong.
Everyone is welcome,
and everyone belongs.*

When you come to Kennington,
you'll notice from the start.
The kind of place we have here,
we speak with hands and heart.
The way we are with others,
that's how we'd like them to be.
Respect is shown to everyone,
then it comes back to me.

REPEAT CHORUS

We care about each other,
in all we say and do.
Our teachers understand us,
they care for me and you.

REPEAT CHORUS

Reminder that our assembly is currently held over our internal speaker system.

Principals Report continued from Page 1

LAST DAY OF TERM 2 AND SPECIAL ASSEMBLY

A reminder that Term 2 finishes next Friday, June 24 at 2:15pm. We will have a special assembly at 1:15pm in the amphitheatre. All classes will do a performance. Families are welcome to attend.

Please ensure that you have made arrangements for your child/children to be collected from school at 2:15pm. If you require information about Out of School Hours Care from 2:15pm on Friday, or during the holidays, please visit <https://www.campaustralia.com.au/>

STAFFING UPDATE

As always, like other large organisations we have changes in staffing throughout the year, and 2022 is no different. This term we say goodbye to two of our staff members as they pursue other things in their lives. We farewell Ms Amy Fitcher who commenced at K.P.S in 2014, and in the first week of Term 3 we will also farewell Mrs Leah Retallick who will begin family leave. On behalf of the whole school community, I wish both Amy and Leah all the very best and thank them for their contributions to Kennington Primary School.

During Term 3 we will welcome back Mrs Sarah Harvey in a part time capacity from family leave. Sarah will take on the role of Performing Arts teacher two days per week.

PARENTS AND FRIENDS' Special Food Day Term 2

Thank you to all of our helpers who helped out with our Term 2 Special Food Day. The day went off without a hitch and all the students enjoyed their special lunch. Well done to all our families who connected on QuickCliq to place orders for their children. We have more than two thirds of our families signed up. If you need help signing up, pop into the office and we will be happy to assist.

Working Bee - KPS Environment Centre, Sunday June 19

This is an open invitation for you and your children to come and help assemble the new raised wicking garden beds that we purchased with the Woolworths Landcare Grant. The working bee will be held in the Environment Centre from 10:00am - 12:00pm. For further information please see the flyer in this

LINK.

VITAL COVIDSAFE STEPS CONTINUE Rapid antigen testing

Free Rapid Antigen Tests continue to be available for all staff and students in Victorian schools in Term 2, 2022. Schools will continue to be provided with the same weekly quantity of Rapid Antigen Test kits.

It is recommended that Rapid Antigen Tests are used by students and staff when symptomatic. Rapid Antigen Tests are also required to be used for five days if a student or staff member is an identified close contact of a confirmed case, and they are attending or working at a school onsite.

If staff or students receive a positive test result at any time, they must report this through the Department of Health system (Rapid antigen tests | Coronavirus Victoria) or via the coronavirus hotline at 1800 675 398.

Students (or their parents) must also report a positive result to their school, either through the COVID Test portal or by phone or written notification; this is so the school can record that they will be absent while in 7-day isolation, provide support and learning materials as needed, and let the rest of the school community know there has been a positive case onsite and that they should monitor for symptoms.

SHAMROCK DISTRICT ATHLETIC SPORTS MESSAGE FROM CAM LADD

On Tuesday the 14th of June Kennington Primary School had 80 students represented our school at the Shamrock District Athletics Event. This event was for students from Kennington, Strathfieldsaye, Girton and White Hills primary schools. The athletes at this event were selected after successfully competing in their school carnivals. The competition was strong throughout the day with all Kennington athletes participating to their personal best. We had many great results on the day with the official standings to be published soon. Several of our students who received a first or second place within their age group and in some of the selected events will now go on to compete at the regional carnival later in the year.

Have a wonderful weekend!
