We are looking forward to celebrating Book Week this year. We will be having our **Book Week dress up day and Book Picnic on Tuesday August 23**. We are looking forward to seeing the great costumes and dress ups from everyone including our staff.

### UNLOCKING POTENTIAL: PRINCIPAL PREPARATION

### SCHOOL COUNCIL NEWS

School Council met on Monday this week and discussed a number of matters including some key dates that are coming up. **Wednesday August 24** will be a pupil free day. This day is for all teaching staff to engage in professional practice and is a part of the Victorian Government Schools Agreement. ### COVID ABSENCES

If your child is unable to attend school due to Covid for any reason, please inform the office in writing as soon as possible so the correct attendance can be recorded. The school must record these absences differently. # THE GROWING INITIATIVE

Hello, my name is Lee McDonald and together with my two boys, Jack & Charlie we are flower/vegetable & seed growers based in Bendigo Victoria. We discovered our passion for growing & seed saving in 2019, and so our labour of love- Packed with Love begun.

It is our passion at Packed with Love to encourage all children and families to grow, produce and eat from their own gardens! There are many benefits to growing your own food, particularly now with the many food shortages and extreme prices of fresh produce.

Our goal at Packed with Love is to partner up with Victorian schools not only to encourage children to grow a garden, to eat healthier and within season but to aid in your schools fundraising efforts.

We have thoughtfully created six seed bundles which are quick & easy to grow, all while producing enough to feed the entire family and then some! Each bundle includes 3 packs of selected seed varieties for \$15.00. As part of our fundraising initiative \$3 from each bundle will be donated directly to the school via bank transfer or cash donation.

Our product list and order form will be supplied to the school for distribution. All orders will be fulfilled on an agreed date via a collection point at school within 2 weeks of receiving completed forms.

We are passionate about sustainable farming practices and so, all our seeds are grown chemical & treatment free. Our field is sown, watered, weeded and harvested all by hand. These practices allow us to grow and supply seeds of the highest quality & freshness.

We would love to work with you to build a happier and healthier community. We thank you for the opportunity and for supporting us, your local growers!
