PRINCIPAL'S REPORT

Travis Eddy

Dear Parents/Carers,

MOTHER'S AND SPECIAL FRIENDS BREAKFAST - TOMORROW MORNING FRIDAY MAY 12

This is an open invitation to all our Mum's and Special Friends in our lives to come along for Breakfast at school for us to say thanks. **Friday May 12, 8:15am - 8:45am in the Amphitheatre.**

A reminder that this breakfast is about celebrating our Mum's and Special Friends. **I ask all students who attend to please ensure that the special person / people that they bring along are looked after with food and a drink before any of the Kennington students.**

SCHOOL ATTENDANCE

Attending school regularly is very important for a number of reasons. Firstly, regular attendance ensures that students don't miss out on important lessons and activities. This is crucial as each lesson builds upon previous knowledge, so missing even one class can put students at a disadvantage.

Secondly, regular attendance helps students establish a routine, which is an important life skill. Students learn to manage their time effectively, prioritize their work, and develop good study habits. This routine also helps students develop discipline and a sense of responsibility.

Thirdly, attending school regularly helps students develop social skills and form relationships with their peers. This is important for their emotional

and mental wellbeing as well as their academic success.

If your child is away please let us know via Sentral or give the office a call on 5443 2011.

PUPIL FREE DAYS TERM - 2 PROFESSIONAL PRACTICE DAY & CURRICULUM DAY

This term there will be two Pupil Free Days. The first being a Teacher Professional Practice Day (PPD). The PPD will be held on **Friday June 2**, on this day teachers across the school will work to complete tasks individually and in teams.

Wednesday June 7 is a curriculum day that has been booked since the beginning of 2022. On this day all staff will participate in Day 3 of 4, of the Berry Street Training.

Camp Australia have confirmed that they will be providing care options for our families on both days. Information and bookings can be found via that Camp Australia website at <https://campaustralia.com.au/schools/3464>

NATIONAL RECONCILIATION WEEK

KPS VALUES

*Personal
Best*

Always aiming high and being the best I can. It means being optimistic that I will be successful in the end.

Respect

Treating everybody and everything with consideration and courtesy. It means looking after myself, others and the environment.

Resilience

The ability to manage my emotions and bounce back from an experience that may not have turned out the way I expected.

KPS SONG

Here we stand together,
in the school we like the best,

And together we create a school
that's bigger than the rest.

With gardens, playgrounds,
stairs and rooms and
an orphanage next door.

Our grounds and our facilities,
they offer so much more.

But the buildings and the sandpits
and the ovals and the grounds,

Don't tell you the whole story of
the place where we have found,

A safe and fun environment,
where everyone's your friend.

Where the music and the laughter
and the learning never ends.

CHORUS

*Our school is like no other,
a very special place,*

*With space to learn and room to
grow, there's a smile on every face.*

*We are a team of individuals,
our community is strong.*

*Everyone is welcome,
and everyone belongs.*

When you come to Kennington,
you'll notice from the start.

The kind of place we have here,
we speak with hands and heart.

The way we are with others,
that's how we'd like them to be.

Respect is shown to everyone,
then it comes back to me.

REPEAT CHORUS

We care about each other,
in all we say and do.

Our teachers understand us,
they care for me and you.

REPEAT CHORUS

Reminder that our assembly is
currently held over our internal
speaker system.

The theme for 2023 is 'be a voice for generations'. The theme encourages all Australians to be a voice for reconciliation in tangible ways in our everyday lives - where we live, work, and socialise.

National Reconciliation Week (NRW) is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

The dates for NRW are the same each year; **27 May to 3 June**.

These dates commemorate two significant milestones in the reconciliation journey— the successful 1967 referendum, and the High Court Mabo decision respectively.

27 May 1967 - On this day, Australia's most successful **referendum** saw more than 90 per cent of Australians vote to give the Australian Government power to make laws for Aboriginal and Torres Strait Islander people and recognise them in the Census.

3 June 1992 - On this day, the Australian High Court delivered the Mabo decision, the culmination of Eddie Koiki Mabo's challenge to the legal fiction of 'terra nullius' (land belonging to no one) and leading to the legal recognition of Aboriginal and Torres Strait Islander peoples as the Traditional Owners and Custodians of lands. This decision paved the way for Native Title.

Reconciliation must live in the hearts, minds and actions of all Australians as we move forward, creating a nation strengthened by respectful relationships between the wider Australian community, and Aboriginal and Torres Strait Islander peoples.

RESPECTFUL RELATIONSHIPS

The Royal Commission into Family Violence identified the critical role that schools have in creating a culture of respect to change the story of family violence for future generations. In 2016, respectful relationships education became a core component of the Victorian Curriculum from Prep to Year 12 and is being taught in all government and Catholic schools and many independent schools.

The Victorian Curriculum F-10 includes learning about respectful relationships in both Health and Physical Education and Personal and Social Capability. In the Health and Physical Education curriculum, students develop the knowledge, understanding and skills to strengthen their sense of self, and build and manage safe and respectful relationships. In the Personal and Social Capability curriculum, students learn to recognise and regulate emotions, develop empathy for others and establish and build a framework for positive relationships.

Topic 4: Problem Solving Problem-solving skills are an important part of the coping repertoire. The classroom program provides a number of learning activities to develop students' problem-solving skills. The activities in the program assist students to develop their critical and creative thinking skills, and to apply them to scenarios exploring personal, social and ethical dilemmas.
