POLICY

1. School profile

Kennington Primary School is situated in a suburb of the regional city of Bendigo. The school, which opened in 1912, moved to its current site in 1996.

The school sits on a landscaped site of 12.1 hectares. The grounds are established with play spaces for students, including a stadium, an oval, a number of sealed multi-purpose courts and a large

undercover area. The school buildings are a mix of modern brick building on several levels. Spacious classrooms are supplemented by break out and withdrawal areas. A visual arts facility, music room and library are included within the school buildings.

The school population has remained stable at around 620-50 students. Classes are organised in year levels, with three or four classes in year level team. The school hosts the Bendigo Deaf facility. Deaf students are integrated into the mainstream classrooms with the support of facility staff.

All Grade 4, 5 and 6 students have a laptop, which is provided through a parent co-contribution model, and other grade levels have access to banks of iPads and laptops.

The current school staffing profile is comprised of 54 teachers including a Principal and two Assistant Principals and the equivalent of 30 ongoing/contract Educational Support Staff and additional casual ESS staff.

The school curriculum reflects the Victorian Curriculum framework, with specialist programs Physical Education, Performing and Visual arts. The school supports inclusion by offering Auslan as its Language Other Than English (LOTE).
